Needs Assessment Questionnaire

School: _____ Date: _____ Name: _____

Reece L. Peterson and Russell J. Skiba

DIRECTIONS*: Team members should complete individually, and then, as a team discuss and complete a team response to the questions.*

1. **What types of inappropriate behaviors are of greatest concern for our school (e.g. fighting, bullying, harassment, weapons, incivility, etc.)?**

2. **What do you feel your school's teachers would say was the most common problem that they have related to student behavior?**

   A. In the classroom?

   B. Outside the classroom (during passing, lunch or other non-structured times)?

3. **What do administrators in this building feel are the most common problems related to student behavior which occur at our school?**

4. What are the disciplinary consequences that are currently being used by teachers? Is there consistency across teachers?

5. What are the school-wide disciplinary options that are currently in place? (e.g. detention, in-school suspension, Saturday school, staying after school, etc.)

6. If asked, what would staff view as the most helpful or needed related to student behavior?

7. Other needs not yet identified?
