

Joe's Desk Contract:

Date: December 6, 2004

I know that it is important that I keep my desk clean and organized in order to spend more time on my school work and learn as much as I can. Miss Heier is going to help me do this by writing this contract and having us both agree to it. My classmates will help by checking in with me mid-day and helping me organize my desk.

I will have one classmate assigned to check in with me regarding the cleanliness of my desk before lunch. Miss Heier will check my desk every day at 3:30 right before study hall begins. If my desk meets all of the guidelines in my visual at the end of the day, I will put a sticker on my contract for that day. If I earn 80% or 10 of my stickers by the last day before winter vacation (December 22), I will earn a movie for my class that day. There can only be 3 school days where I don't earn my sticker to earn this privilege.

If I do not earn 10 of my 13 stickers, I will be choosing to use my recess time to practice organizing my desk. This will happen on day 4 of not earning my sticker and every day after that I do not earn my sticker until winter break.
